Lesson 3.0 – How to Use your Registration Key

Getting started with SalveoRx requires you to have a properly installed SalveoRx system. If you already have a registration key, you will need to complete the succeeding steps to complete your registration.

Use the steps below to use your registration key.

Register Now?

1. Run SalveoRx.
2. Select the “No, I already have a registration key.” option.
3. Click the “Next” button.
4. SalveoRx will display the Registration Key Entry.
5. Enter your Registration Key.
6. Click the “Next” button.

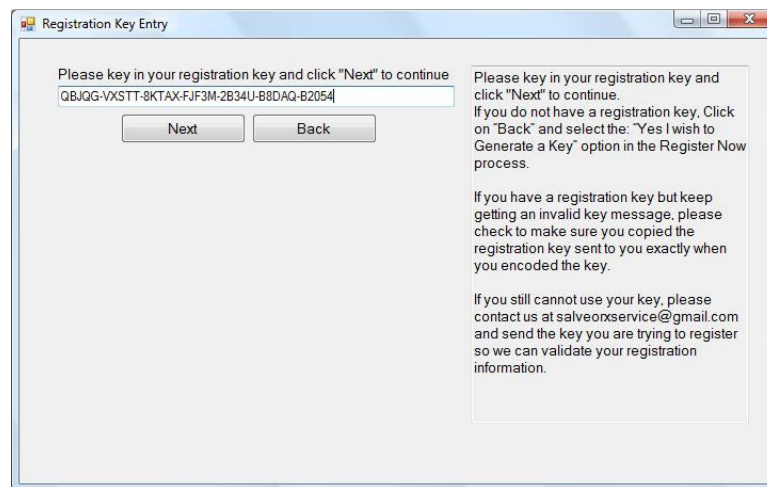

Figure 1.0: Getting Started – with a Registration Key

Configuration Wizard Step 1: Personal Details

You will need to add your personal information.

1. SalveoRx will display the Configuration Wizard Step 1: Personal Details.
2. SalveoRx will display the personal information you have registered: First Name, Last Name, Email Address, and Contact Number.
3. Enter your Title.
4. Enter a Username.
5. Enter your Password.
6. Enter the same Password in the Confirm Password box.

7. To proceed to the next step, click the “Next” button.
8. To end the registration, click the “Finish” button.

Configuration Wizard Step 1: Name your Prescription Pad

Personal Details

Title: M.D.

First Name: Juan

Last Name: Dela Cruz

Contact No.: 123-4567

Email Address: jdelacruz@gmail.com

Username: jdelacruz

Password: ●●●●●●

Confirm Password: ●●●●●●

All the fields in this step are required and need to be filled up before you can proceed. The Last Name, First Name and Middle Name information you key in on this step will appear on your SalveoRx prescription pad. After you enter your information, click on Generate Preview to view how this will look in your prescription pad.

Click "Next" to go to the next step or "Finish" to start using SalveoRx. Please note that if you skip the next steps, some portions of your prescription pad may be left blank. You can configure the other items later on using the "Edit My Personal / Prescription pad Info" module.

Buttons: Back, Next, Finish, Generate Preview, Cancel

Figure 2.0: Getting Started – Configuration Wizard Step 1

 You can update the rest of your information using the My Profile feature in the Maintenance module.
