Lesson 5.1 – Forgot your Password

Getting started with SalveoRx requires you to have a properly installed and registered SalveoRx in your machine. More importantly, you are required to have a VALID username and password to Login.

If you forgot your password, use the steps below to learn how to retrieve it.

1. Run SalveoRx.
2. Login window will appear.
3. Click the “Forgot Password” button.
4. A message will note that a file named SalveoRxForgotPassword.txt has been placed on your desktop.
5. Attach this file to an email and send it to support@salveorx.net .
6. SalveoRx Tech Support team will reply and give you your username and password.

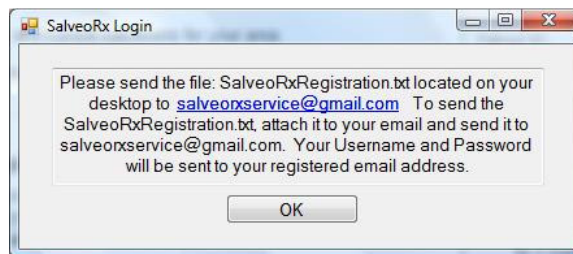

Figure 1.0: Login – Forgot Password

 For any technical difficulties, you can contact the tech support team by sending email to support@salveorx.net .
