Lesson 8.1 – QUICK TIP > Using Prescription Templates

Getting started with SalveoRx requires you to have a properly installed SalveoRx system. SalveoRx includes a prescription template feature that allows you to create and use formatted prescriptions to help you create prescriptions in an instant.

Use the steps below to learn how.

1. Click the Create Prescription button.
2. Select the “Yes, I wish to use a template.” option
3. SalveoRx Template table will appear.
4. Select any one of the available templates on the list, and view its preview on the right panel.
5. Click the “Use this template” button.
6. SalveoRx Create Prescription will appear.
